# Who We Are

OVER SPEED SECURITY COMPANY LIMITED is a legally registered and licensed private security company in Tanzania, providing reliable, professional, and cost-effective security solutions for the protection of life and property. With extensive industry experience, we deliver a strong blend of skilled personnel, modern resources, and proven operational systems.

Over the years, OVER SPEED has successfully served a wide range of reputable clients, including corporate organizations, industrial facilities, construction companies, and government institutions. Under new management, the company has continued to grow rapidly and is now recognized as one of Tanzania's leading SME security service providers, managing multiple projects nationwide.

## We are Overspeed Security

Our operational strength lies in strict supervision and continuous monitoring of deployed guards through regular day and night patrols, supported by a fully equipped 24/7 control room managed by trained controllers. We specialize in integrated risk mitigation solutions that enable our clients to operate safely and confidently.

We invest heavily in recruitment, vetting, training, and continuous development of our personnel, working closely with civilian and regulatory authorities to ensure the highest standards of professionalism, discipline, and reliability.

Company Limited

# Management Overview

OVER SPEED SECURITY COMPANY LIMITED is led by a highly experienced management team with strong operational, financial, and strategic expertise. Our leadership structure enables efficient decision-making, accurate cost forecasting, and consistent service delivery.

Upon contract award, we deploy qualified and pre-selected personnel to ensure uninterrupted guarding, monitoring, patrol, and emergency response services. Our streamlined organizational structure emphasizes quality control, performance measurement, and risk management through well-defined metrics and reporting systems.

Quality assurance is monitored through individual qualification checklists, performance evaluations, and service deliverables to ensure continuous improvement.

Company Limited

# Our Core Principles

Ensuring our team members operate within a SAFE atmosphere with the most effective training, tools, site planning, procedures, and equipment so that we eliminate lost –time injuries.

Delivering on every commitment made to our clients, fellow employees and the communities where work in order to systematically reduce risk and provide a SECURE environment.

Maintaining a FRIENDLY approach to all we do, with mutual respect for every person, so that all of our security and safety personal are approachable, competent, and helpful. Broadening our positioning from a man – guarding company to a full line solutions provider for risk mitigation and customer care.

## Leadership Vision

To be the industry leader in client satisfaction through innovation-driven security, safety, and managed services, while being recognized as an employer of choice within the communities we serve.

## Operational Philosophy

Our vision is to be the best security company in Tanzania—not necessarily the largest, but the most trusted. Growth is achieved through strong client relationships, value-driven services, and investment in quality personnel supported by motivation, incentives, and career advancement opportunities.

We focus on:

Strong client relationships

High-quality service delivery

Continuous improvement through technology and performance monitoring
